SKIN REJUVENATION

THERMISMOOTH™ FACE & BODY SKIN TIGHTENING: Improves skin tightness through non-surgical, non-invasive thermal technology.

MICRONEEDLING: Combat a variety of common skin care concerns: scarring, stretch marks, melasma, and more.

SKIN TIGHTENING: Improves skin tightness through advanced cosmetic technology.

COSMETIC INJECTIONS

BOTOX®: Effectively reduces the appearance of fine lines, wrinkles, and crows feet. Reduces sweating and provides a noticeable neck lift depending on application.

DERMAL FILLERS: Fill lips, smile lines, deep folds, and volumize cheeks.

KYBELLA™: Permanently dissolve small areas of fat pockets - great for "double chins," bra fat, and armpit fat.

PRP FACIAL INJECTIONS: Stimulates collagen production to smooth wrinkles and fine lines, using growth factors and stem cells from your own blood (extracted through a centrifuge selection process).

PRP HAIR RESTORATION: Stimulates hair follicles with growth factors to stimulate hair growth and strengthen existing hair.

SEXUAL HEALTH

THERMIVA®: Effectively rejuvenate intimate areas for increased sensation, bladder control, and skin tightening without surgery.

PRP "MASTER BLASTER" SHOTS: Improve sensation and performance in intimate areas for men.

PRP "OH WOW!" SHOTS: Improve sensation in intimate areas, including improved climax for women.

OTHER SERVICES

CHEMICAL PEELS: Rejuvenate skin, even skin tone through targeting pigmentation, and improve skin texture.

SKIN TAG REMOVAL: Remove skin tags just about anywhere on the body.

BioTE® Pellets: Bio-identical hormone pellets for both women and men for hassle-free, consistent hormone dosage.

We also provide add-on pricing to combine multiple services in one appointment. Please ask us about current specials and discounts!
